Municipal Court Clerk Supports County 4-H for 4th Consecutive Year

Clerk Dinovo supports 4-H Baked Goods champions by pre-purchasing all seven Reserve Winners' goods for the fourth year running.

Delaware, Ohio October 10, 2014 – Delaware Municipal Court Clerk, Cindy Dinovo, showed her support to the County's youth at the Delaware County Fair again this September. Clerk Dinovo pre-purchased all seven spots for the Reserve Champions in the Baked Goods category at this year's 4-H competition, offering the recipients funding for another year of participation, should they choose.

The purchased goods are served at the annual Buyer's Dinner, held the night of the baked goods auction as a show of gratitude to the buyers for their unwavering support of the County 4-H program. As one champion stated in her Thank You letter to the Clerk, "I was proud to see one more of my fruit pies being served to the good folks of Delaware County. On behalf of myself and all the youth of Delaware County 4-H I thank you for your support."

Clerk Dinovo has personally funded the reserve spots for the last four years ensuring the purchase of more than 30 contestant's entries. In regards to her annual support of the 4-H program the Clerk states, "I was part of 4-H growing up and I believe it is very important to support the youth in the community. I especially enjoy supporting a program that helped to make me who I am today."
