

CINDY DINOVO
CLERK OF COURT
DELAWARE MUNICIPAL COURT
70 N. UNION ST.
DELAWARE, OHIO 43015

For immediate release:

Clerk of Court Cindy Dinovo is pleased to announce that the Delaware Municipal Court has agreed to participate in the Delaware County Bank's Positive Pay service.

Positive Pay is an automated fraud detection tool that matches the account number, check number, dollar amount, and payee of each check presented for payment against a list of checks previously authorized and issued by the court, proactively deterring the opportunity for check fraud.

“While the court has not had any significant instance of check fraud, we must remain diligent. With advancements in technology and desktop publishing software, the problem is increasing,” noted Dinovo. “We are pleased to take a leadership role in reducing the potential risk and protecting our fiduciary responsibility.”

Delaware Municipal Court was the first and only beta testing environment to work with Delaware County Bank in creating and implementing this service. The Clerk's involvement and feedback was pivotal in producing a finished product. Delaware County Bank has recently released this service and has added several additional customers to the Positive Pay interface with much success.

As the Clerk of Court, Dinovo is responsible for maintaining and protecting the court records and collecting and disbursing all monies for the court.
