

# Honor Our Veterans – Brick by Brick

The City of Delaware **Veterans Memorial Plaza** is located adjacent to the Delaware Community Center/ YMCA and the Ohio National Guard Training Center. The Plaza honors those who have served in our military, especially those from Delaware County. Families can honor a loved one's service through a personalized memorial brick that will be set in place at the Memorial Plaza

Two engraved brick sizes are available: 4x8-inch for \$100 or 12x12-inch for \$200. Bricks will be engraved quarterly once enough orders have been received to defer costs. **Please check one: (one brick per order form)**
