You have been identified as a possible candidate for the OVI Docket. The OVI Docket is a one year intensive supervision program for multiple OVI offenders. Participants will be given the mandatory minimum jail term upon pleading guilty to the OVI. Please review this document and contact me if interested in obtaining more information. I advise you to inform your attorney of the OVI Docket option.

---

Tamar Fowler

\*See Participant Handbook for a complete list of requirements and expectations. Participants in the docket may see a reduction to their jail sentence and time under community control supervision.
