

Dear Board of Zoning,

We received a letter about the request for approval of a front yard setback variance at 300 West Lincoln Ave by Mike Zimmerman. We are neighbors at 265 W Lincoln to their property. Over the last couple of years we have watched Mike and his family remodel their home, putting in much time and effort. They truly have done a great job with their remodel and we wanted to write to you to show our support for their request. We ask that you accept their request for their variance and allow them to build their front porch. Thank you.

Sincerely,

Amanda and Heather Rodenberg
