Caution! This message was sent from outside your organization.

SORRY! I didn't provide my address but I do appreciate my question being heard!

Thanks again!!

Hello,

I am a neighbor in close proximity to this property for 24 years. We share a walkway between our homes. Ms Katenkamp had shared that she is converting the property to apartment living. I would like to know if this will be HUD housing or low income apartments?

Kindest regards,

Shawna Morita
