Pastor Akers,
City Council held a public hearing last night and it went fairly well, but we think a couple of the Council members are undecided and they will vote on the 25th. It would be very helpful for us to provide to Council whatever evidence of community support we can. So I am asking you to send this email to the Clerk of Council, Elaine McCloskey (emccloskey@delawareohio.net). This way it will be reported to the Council members. If there is anyone else you know who thinks our new housing plan would be a positive thing for the east side of Delaware, please ask them to do likewise. Thanks so much!

Dear Mr. Roy Lowenstein, I was happy to hear things went well at planning. As a Pastor on the Eastside and I've been apart of the community for 50 yrs this will be a boost to the East Side as we've talked and you've showed me these apt will be managed and kept nice. We do need lower priced housing on the East Side. I've had 5 of our congregation that have lived at Arthur's place and they loved it. I got called to OSU hosp for 1 of our congregation who was very bad. I'm very thankful for help of lower income who will have a nice place to live God bless you Roy
